# Young Muslims more radical—Murad

THE PHILIPPINES may be facing an even greater threat to its democratic values than the Muslim separatist groups in Mindanao, says a prominent Muslim scholar. Young Muslims are more radical, he believes, than the older generation.

Dr. Murad, a prominent Muslim scholar, said that the younger generation of Muslims in the Philippines is more radical than the older generation. He said that the younger generation is more radical than the older generation.

# Hanoi Declaration strengthens Asem

By Marissa Lee-Mun

**MANILA**—The Asian Pacific Economic Cooperation (APEC) leaders' meeting in Hanoi, Vietnam, on Nov. 11-12, 2008, was a landmark event for the organization. The leaders' declaration, adopted at the end of the meeting, reaffirmed APEC's commitment to free trade and economic cooperation, and set out a new agenda for the organization's work in the coming years.

The declaration, which was signed by the heads of state or government of the 21 APEC member economies, reaffirmed APEC's commitment to free trade and economic cooperation, and set out a new agenda for the organization's work in the coming years. The declaration also reaffirmed APEC's commitment to sustainable development, and to the promotion of social progress and environmental protection.

The declaration also reaffirmed APEC's commitment to sustainable development, and to the promotion of social progress and environmental protection. The declaration also reaffirmed APEC's commitment to sustainable development, and to the promotion of social progress and environmental protection.

# Magnitude 6.2 quake causes jitters but no casualties, damage

By Lisa Lim

**MANILA**—A magnitude 6.2 earthquake struck the Philippines on Nov. 11, 2008, causing jitters but no casualties or damage. The quake, which was felt in several parts of the country, was the strongest since 1990. The Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) reported that the quake had a depth of 10 kilometers.

The quake, which was felt in several parts of the country, was the strongest since 1990. The Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) reported that the quake had a depth of 10 kilometers. # Japan tops downhill

By John R. Flannery

WHITE MOUNTAIN CITY—Avalanche and a crash of a tree and a split second's hesitation made the difference between the two teams of the Japanese Olympic team in the early stages of the 1998 Winter Olympics. The Japanese team, which was the only team to finish the race, won the gold medal in the men's downhill event.

The Japanese team, which was the only team to finish the race, won the gold medal in the men's downhill event. The Japanese team, which was the only team to finish the race, won the gold medal in the men's downhill event.

## The Beacon School

### The Beacon School Scholarship Program 2005-2006 School Year

The Beacon School is offering ten full scholarships, for entry to Grade 5A for the 2005-2006 school year.

Successful candidates will need to demonstrate a strong academic background, as well as the ability to thrive socially and creatively. The priority is to make a positive contribution to the Beacon School community as well as beyond. The ability of the successful candidate will be required to demonstrate a need for financial assistance.

Following receipt of applications, candidates will be shortlisted and a shortlist will be interviewed by the Scholarship Committee, and by school academic personnel. This will include academic testing. As well, parents of shortlisted applicants will be interviewed by the Scholarship Committee.

Applicants, including a brief resume, and school academic records, should be sent to an envelope marked "Scholarship Application", to: The Headmaster, The Beacon School, PCPO Building, 2322 Cebu Avenue Extension, Taguig.

Applications will close at 5:00 p.m. on Thursday 20, October 2004.

## British hostage beheaded

London, Oct. 1 (AP)—A British hostage was beheaded by a Palestinian militant in a video recording of the execution, which was shown on television in the Middle East.

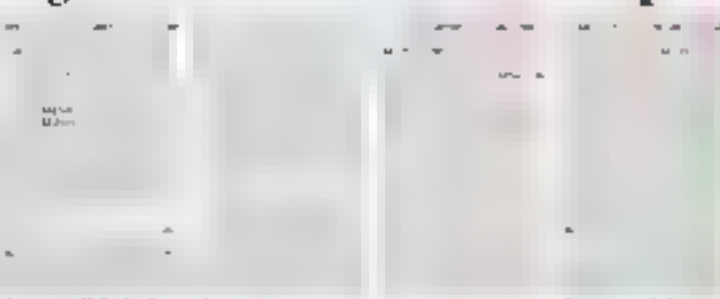

British hostage was beheaded by a Palestinian militant in a video recording of the execution, which was shown on television in the Middle East.

## Rescuers search for survivors of S. 400 ship

London, Oct. 1 (AP)—Rescuers were searching for survivors of the S. 400 ship, which was reported to have been sunk in the Red Sea. The ship was carrying a large number of passengers and crew. The search operation is being conducted by the British Royal Navy and the United States Coast Guard. The ship was last seen on Oct. 1, and is believed to have been sunk by a Palestinian militant. The search area is located in the Red Sea, off the coast of the Gulf of Aden. The ship was carrying a large number of passengers and crew. The search operation is being conducted by the British Royal Navy and the United States Coast Guard. The ship was last seen on Oct. 1, and is believed to have been sunk by a Palestinian militant.

# Christmas happens 365 days a year in this shop

By Tom Ichniowski

It's the season of giving, and for many people, the season of giving begins in the fall. For some, it's the time to start thinking about the gifts they want to give to their loved ones. For others, it's the time to start thinking about the gifts they want to receive. For Tom Ichniowski, it's the time to start thinking about the gifts he wants to give to his customers.

Tom Ichniowski is the owner of the shop. He has been in the business for 10 years. He has a passion for Christmas. He wants to make sure that every customer who walks into his shop feels like they are in a magical world. He has a variety of gifts for everyone. He has everything from toys to electronics to home decor. He has everything you could possibly want for Christmas.

## Trouble in a tropical paradise

By [Name]

**T**he tropical paradise of Boracay is now a scene of environmental disaster. The island's beaches are covered in trash and the water is polluted. The island's once pristine beaches are now a scene of environmental disaster.

The recent

International Coastal

Cleanup made Boracay

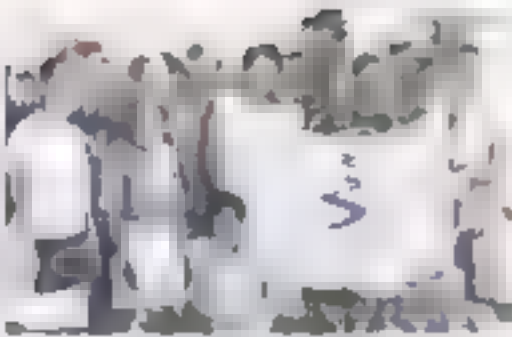

residents and tourists

chances to clean. Even

T. F. & CO.

Local children in Barbados are used to seeing water coolers in the street.

Barbados is a tropical paradise, but it is not without its problems.

## Trouble in a tropical paradise
